### FROM THE KIRKWOOD PARKS AND RECREATION DEPARTMENT...

Dear Readers,

The start of the fall season is always an exciting time for the Parks and Recreation Department as we kick off Kirkwood’s “fifth season,” the Greentree Festival. This year we celebrate the 59th rendition of this Kirkwood tradition September 13-15, with a theme of “Let the Board Games Begin.” Don’t forget about the festival kickoff “Party in the Park” event the weekend before!

Of course, even when the festival is over, there’s still lots to do, whether it be a walk in one of our many parks, a skate at the ice rink, or a game of soccer in one of our leagues. We have lots of things for our senior residents as well, including open play pickleball, fitness classes, card club, senior softball league, and senior volleyball. We continue to partner with OASIS to provide programming for seniors. Visit [www.oasisnet.org](http://www.oasisnet.org) to find a class!

If you’re out and about in Kirkwood Park, take a moment and look for the two sculpture pieces recently installed by the Kirkwood Arts Commission. *Purple Twist* is located on the main walk to the south of the tennis building and *Cloudcutter* is located along the walk that leads to the Lions Amphitheater.

Construction on the Performing Arts Center continues to move along. Completion of the facility is anticipated during the summer of 2020.

Thanks for your support & see you at the Greentree Festival!

— The Kirkwood Parks and Recreation Staff

A special message from the Kirkwood Yacht Club (KYC) to Greentree Festival attendees: After 26 years of fun sailing at Walker Lake, we will be retiring our boats from the 2019 Greentree Festival. We thank the committee for supporting us and the great park staff for helping us with our regattas (set-up, sound system and retrieving our boats). Jim Flynn and I started this together, and enjoyed sharing our hobby with everyone. We had a good run. Enjoy the festival!

Past commodores of KYC,  
 Fred Burk and in Memory of Jim Flynn

### YOUR KIRKWOOD PARK BOARD

The Kirkwood Park Board consists of nine members, appointed by the Kirkwood City Council for rotating three-year terms. The primary focus of the Park Board is the maintenance and planning for parks within the park system, and directly responsible for expenditures from the Park Maintenance Fund.

Much of the Park Board’s work is guided by the 2005 Parks and Recreation Master Plan, and a strategic plan that was formulated in 2016. A community survey, completed in 2011, also guides the board. Many objectives in the master plan have been met, with more to come, including a new pavilion in Kirkwood Park, courtesy of Brett and Lisa Campbell. Parks and Recreation Services are funded primarily through three sources. These three sources are:

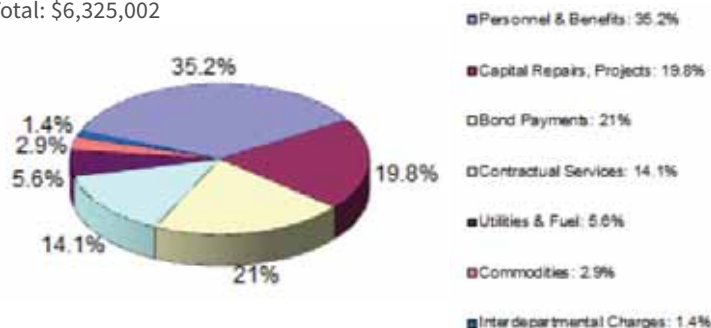

1. ½ Cent Parks, Recreation and Stormwater Sales Tax
2. Property Tax for Park Maintenance
3. Fees and Charges for Services

Other funding sources include grants, donations, interest on fund balances and sale of surplus equipment.

The charts below show revenues and expenditures for the fiscal year ending March 31, 2019, and are based on preliminary, unaudited figures. Please note the information below reflects all funding for parks and recreation services, including funds controlled directly by the Park Board as well as funds controlled by City Council.

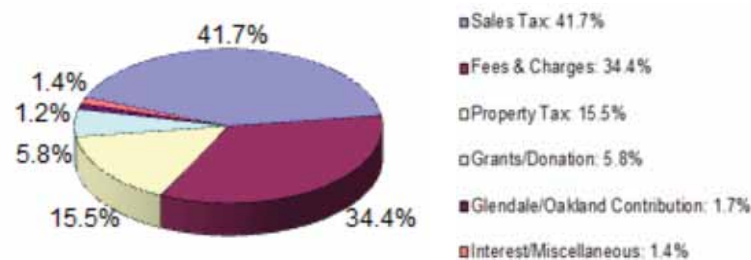

### FY 2018-19 EXPENSES

Total: \$6,325,002

### FY 2018-19 REVENUES

Total: \$6,177,037

### Junior Tennis Classes

Ages 3-18. Our programming is designed in coordination with the United States Tennis Association's Youth Player Progression. This system promotes play with red, orange, green, and yellow (R.O.G.Y.) compression balls, and is structured in a way that will allow young players to remain at the appropriate level and give players the opportunity to develop both physically and technically. Please note: R.O.G.Y. classes are divided internally into appropriate age and skill levels:

**RED (8 and under)** - 36' x 18' court - shorter nets - 18"-20" rackets  
This class revolves entirely around having FUN, developing hand/eye coordination, and introducing basic stroke fundamentals. Proper rallying and serving aspects are explored while students are exposed to the basic rules of the game.  
6:30 p.m. April-Oct

**ORANGE (10 and under)** - 60' court - 23"-25" rackets  
This class encourages students to rally in a controlled fashion while learning the basics of score keeping. Singles and doubles are introduced as players can begin to play actual points on the age-appropriate shortened courts.  
6:30 p.m. April-Oct

**GREEN (12 and under)** - standard court - 26"-27" rackets  
This is a transitional class for more experienced players moving from Orange classes to full-size court with green tennis balls. Stroke fundamentals are still necessary, but there is an introduction to more strategy-based drills.  
5:30 p.m. April-Oct

**YELLOW (18 and under)** - standard court - 27" rackets  
This class is designed for beginning and Intermediate skill levels. Predominantly live ball (situational drills where students feed) and strategy oriented.

### Adult Tennis Classes

Ages 18 and over. This class is divided into appropriate skill levels. At all levels fundamental stroke technique is developed, live play is emphasized, and singles and doubles positioning is evaluated.
