### ***Kirkwood's Summer Figure Skating Camp 2020***

There are two ways to sign up for summer camp.

“Easy registration” or “Pick and Choose”. Easy registration is for weekly full or half day registration. This includes all registration and camp care (full supervision) fees, along with custom schedule by skating director, all activities (nominal fees apply-see event schedule) and drawings. Pick and choose is where the parent chooses the sessions times and days and weeks for the skater. Registration and camp care fees are added at the bottom of the form.
